

Turn your payroll process into your own payday.

New hire tax credits can add to your bottom line.

TaxBreak
the tax credit experts

Execupay Payroll, your payroll service provider and TaxBreak, the industry leaders in tax credit recovery, have partnered to help cost justify your hiring process and increase your profitability.

Drive Profitability Through Cost Reduction

Identify cost-savings that can add to your bottom line as candidates' progress through the hiring process.

Maximize Efficiency

Seamlessly identify tax credits and eliminate 80% of the unnecessary paperwork.

Increase your Return on Investment

Increase your return on investment (ROI) on both your hiring process and employees.

Increase Compliance

Manage employee eligibility, administrative filings, and post hiring process more efficiently.

Directly Access to the Most Current Tax Credit Information

Attain eligibility requirements for the most current tax credit programs.

Incur No Financial Risk

Investigate tax credit opportunities with no upfront cost or success-based fees.

If your company is

- paying or have recently paid federal income or payroll taxes
- seeking to increase your profitability through cost reduction
- employing an hourly wage workforce
- experiencing employee turnover

.....you may qualify for tax credits.

Our success based fee structure requires **no upfront costs** and **no financial risk** to your organization.
