

Turn your background screening process into your own payday.

New hire tax credits can add to your bottom line.

USAFACT & TaxBreak service offerings combine to:

Drive Profitability Through Cost Reduction

Identify cost-savings that can add to your bottom line as candidates' progress through the hiring process.

Maximize Efficiency Through Integration

Seamlessly identify tax credits and eliminate 80% of the unnecessary paperwork.

Increase your Return on Investment

Increase your return on investment (ROI) on both your hiring process and employees.

Increase Compliance

Manage employees eligibility, administrative filings and post hiring process more efficiently.

Direct Access to the Most Current Tax Credit Information

Attain eligibility requirements for the most current tax credit programs.

Incur No Financial Risk

Investigate tax credit opportunities with no upfront cost and success based fees

If your company is

- paying or have recently paid federal income taxes
- seeking to increase your profitability through cost reduction
- employing an hourly wage workforce
- experiencing high turnover

...you may qualify for tax credits.

Our success based fee structure requires no upfront costs and no financial risk to your organization.

Contact us today to learn more about integrating tax credit recovery into your hiring process.
